Emergency Medical Evacuation: If You sustain an Injury or suffer a sudden and unexpected Illness due to a terrorist incident and adequate medical treatment is not available in Your current location, We will arrange and pay for a medically supervised evacuation to the nearest medical facility We determine to be capable of providing appropriate medical treatment. Your medical condition and situation must be such that, in the professional opinion of the health care provider and MEDEX, You require immediate emergency medical treatment, without which there would be a significant risk of death or serious impairment.

Transportation to Join a Hospitalized Member: If You are traveling alone and are or will be hospitalized for more than seven days due to a terrorist incident, We will coordinate and pay for economy round-trip airfare for a person of Your choice to join You.

Return of Dependent Children: If Your dependent child(ren) age 18 or under are present but left unattended as a result of Your Injury or Illness due to a terrorist incident, We will coordinate and pay for one-way economy airfare to send them back to Your Home Country. We will also arrange and pay for the services and transportation expenses of a qualified escort, if required.

Transportation After Stabilization: Following emergency medical evacuation and stabilization due to a terrorist incident, We will coordinate and pay for one-way economy airfare to Your point of origin. If following stabilization We determine that hospitalization or rehabilitation should occur in Your Home Country, We will alternatively coordinate and pay for Your transportation there.

Repatriation of Mortal Remains: We will assist in obtaining the necessary clearances for Your cremation or the return of Your mortal remains due to a terrorist incident. We will coordinate and pay for the expenses of the preparation and transportation of Your mortal remains to Your Home Country.

SECURITY AND POLITICAL EVACUATION & SECURITY SERVICES

Real-time Security Intelligence: In the event You feel threatened by political unrest, social instability, weather conditions, or health or environmental hazards, We will provide You with the latest authoritative information and guidance for over 180 countries and select cities. Our global intelligence database is continuously updated and includes destination intelligence from over 5,000 worldwide sources.

Security Evacuation: In the event of an Emergency Security Situation, We will on a best-effort basis arrange for Your evacuation from an international airport or other safe departure point We designate to the nearest safe haven. We will pay for Your evacuation up to and including seven (7) days from the date of evacuation notice given by the recognized government of Your Home Country or Host Country. You will be responsible for the cost and arrangement of ground transportation to the designated international airport or other safe departure point. If evacuation becomes impractical due to hostile or dangerous conditions, We will maintain contact with You and advise You until evacuation becomes viable or the Emergency Security Situation has passed.

Political Evacuation: In the event the officials of Your Home Country issue a written recommendation that You leave Your Host Country for non-medical reasons, or if You are expelled or declared “persona non grata” on the written authority of Your Host Country, We will on a best-effort basis arrange for Your evacuation from an international airport or other safe departure point We designate to the nearest safe haven. We will pay for Your evacuation up to and including seven (7) days from the date of evacuation notice given by the recognized government of Your Home Country or Host Country. You will be responsible for the cost and arrangement of ground transportation to the designated international airport or other safe departure point.

Transportation After Security or Political Evacuation: Following a Security or Political Evacuation and when safety allows, We will coordinate and pay for one-way economy airfare to return You to either Your Host Country or Your Home Country.

Other Evacuation Assistance Services: In the event You feel Your personal safety is threatened, but the situation does not dictate a Security or Political Evacuation and You none-the-less wish to be evacuated, We will assist You on a best-effort basis in making evacuation arrangements. This may include flight arrangements, securing visas, and logistical arrangements such as ground transportation and housing. In more complex situations, We will assist You in making arrangements with providers of specialized security services.
